Regional Environmental Council Spring Gardens Intern

Dates: April thru May

Who We Are:

The Regional Environmental Council (REC) is a food justice organization that has been working in Worcester for fifty years. Our mission is to bring people together to create a just food system and to build healthy, sustainable, and equitable communities in Worcester, MA and beyond. Our programs include Community and Mobile Farmers Markets, our youth employment urban agriculture program (YouthGROW,) and our Community and School Gardens Network (UGROW).

The focus of this internship is the REC Community and School Gardens Network (UGROW). UGROW supports 60+ member gardens in the city of Worcester, including neighborhood gardens, school/learning gardens, organizational/institutional gardens, and urban farms. We provide direct resources for gardeners, technical assistance, and educational and community building programming.

We are seeking a Spring Gardens Intern to help support the UGROW Network's school and community gardens during one of our busiest seasons. Interns will:

- Support our annual Earth Day and Plant Sale events
- Support garden clean ups and deliveries of tools and other materials to various garden sites
- Help distribute seedlings to our 60+ school and community gardens
- Assist School Gardens Coordinator in planting seedlings at school sites with students
- Coordinate and attend a school garden build at a new site (site TBD)

Compensation:

All internships are unpaid but provide invaluable insight into: urban agriculture, food justice, environmental justice, non-profit management, and customer service. Interns will learn what it is like working in a hugely diverse city like Worcester and the importance of honoring food justice by working in low-income, food-insecure neighborhoods. Interns are an integral part to the success of the REC's programs and are part of what makes our programs sustainable. If available through your educational institution, the REC is willing to help interns obtain credit for their work with us.

REGIONAL ENVIRONMENTAL COUNCIL

OF CENTRAL MASSACHUSETTS

P.O. Box 255, Worcester, MA 01613
