### NOTICE OF COMMENT PERIOD AND PUBLIC MEETING

Regional Environmental Council, Inc. (REC) announces the availability of a Draft Analysis of Brownfields Cleanup Alternatives (ABCA) for cleanup of lead-contaminated soils and debris at 47 Oread St, Worcester, MA. The cleanup will prepare the site for a new greenhouse to support REC's YouthGROW program and food access programs. Comment Period: December 18, 2025 through January 16, 2026 (30 days). Comments must be received by 5:00 PM on January 16, 2026. Documents: The Draft ABCA and related files are available for review at REC, 42 Lagrange St, Rear, Worcester, MA (Monday-Friday, 9:00 AM-5:00 PM, or by appointment) and online at [www.recworchester.org/47oreadcleanup](http://www.recworchester.org/47oreadcleanup). Submit comments: [comments@recworchester.org](mailto:comments@recworchester.org) or mail to REC, P.O. Box 255, Worcester, MA 01613. Public Meeting: Wednesday, January 7, 2026 at 5:30 PM, REC Office, 42 Lagrange St, Rear, Worcester, MA 01610. The meeting will include project information and an opportunity to provide public comment. Written comments may also be submitted at the meeting. All significant comments will receive written responses added to the project record. Contact: Steve Fischer, Executive Director, REC, (508) 799-9139, [comments@recworchester.org](mailto:comments@recworchester.org). To request accommodations or language assistance, contact Steve Fischer.
