## WHAT CAN I FIND AT THE REC MARKETS?

Enjoy a wide mix of fresh fruits and vegetables - like tomatoes, sweet corn, peppers, cucumbers, greens, melons, berries, and apples. We work with local and regional farms to bring you what's fresh in the Northeast. You'll also find some tropical fruits and other staple items to fit different tastes and needs.

## HOW DO I PAY?

We accept payment in the forms of cash, credit/debit cards, WIC/Elder Farmers Market Coupons, and SNAP/EBT cards. SNAP users automatically earn extra benefits at our markets through the Healthy Incentives Program. **Ask our staff for details!**

## EARN FREE PRODUCE WITH THE HEALTHY INCENTIVES PROGRAM

Through the Healthy Incentives Program (HIP), SNAP participants can earn an extra \$40–\$80 each month for fresh fruits and vegetables, depending on household size. Use your SNAP/EBT card at REC Markets to buy produce, and the same amount is added back to your card right away. No sign-up needed! Just shop at participating farmers markets.
