WHAT CAN I FIND AT THE REC MARKETS?

You'll find a colorful variety of fresh, seasonal produce—juicy tomatoes, sweet corn, peppers, cucumbers, greens, melons, berries, apples, and more! Our offerings are sourced from local and regional farms to bring you the best of what the Northeast has to offer during the summer and fall harvests. To help meet our community's food needs and preferences, we also offer a selection of tropical fruits and some nonlocal staples.

HOW DO I PAY?

We accept payment in the forms of cash, credit/debit cards, and SNAP/EBT cards. SNAP users automatically earn extra benefits at our market through the Healthy Incentives Program. Ask our staff for details!
